- 2.4 This Policy **repeals and amends** every other existing placement, internship and articleship rule of the College.
- 2.5 Every Annexure to this Policy forms an integral part of it and is enforceable in the same manner as any clause.

3 INTERPRETATION

- 3.1 All words used in this Policy shall have their general meaning, unless there is an express indication to the contrary.
- 3.2 **'Shall' indicates a mandatory requirement. 'May' indicates an option.**
- 3.3 **In case of any ambiguity in interpretation, the decision taken by the Cell shall be binding and final.**
- 3.4 Words in the singular include the plural and vice versa. Headings are for convenience only and do not affect the construction of any provision.

4 THE PLACEMENT CELL

- 4.1 The Cell shall be the **only body in the College** with the power, authority and duty to regulate placements, internships and articleships for the students of the College.
- 4.2 The **Convener is the highest authority** for all decisions concerning placements taken by the Cell.
- 4.3 All companies participating in campus recruitment, and all students registered with the Cell, shall be governed by the rules, regulations and policy terms of the Cell.
- 4.4 The Cell shall recommend disciplinary action to the College for any misconduct by a student at any placement, internship or articleship, **irrespective of whether the same was secured through the Cell**, and shall take cognizance of such misconduct upon a complaint being lodged by the company concerned.

5 THE PLACEMENT SEASON

- 5.1 For the 2026-27 session, the Placement Season **commences in August 2026**. The **closing date of the Season shall be as decided and notified by the Cell**, and is subject to change in accordance with the official Academic Calendar issued by the University of Delhi.
- 5.2 The Placement Season shall **exclude** the following:

- 5.4 For the purposes of this Policy, a stage of a company's process is an **offline stage** when it is conducted on College premises or at the company's office, and an **online stage** when it is conducted through an online or virtual medium.

6 REGISTRATION AND DE-REGISTRATION

- 6.1 All students seeking placements, internships or articleships from the Cell shall **compulsorily register** themselves with the Cell by complying with the procedure specified by the Cell. Only students with a valid and continuing registration shall be allowed to apply to a company.
- 6.2 Any process conducted with a student not having a valid and continuing registration shall be **deemed null and void**, and the company cannot make any direct or indirect offer(s) to such students.
- 6.3 Registration shall commence at the beginning of the Season and may be modified during the session, subject to the approval of the Cell.
- 6.4 **De-registration is irreversible**. Once a student voluntarily de-registers themselves from the Cell, they shall not be registered back for the remainder of the session.

7 ELIGIBILITY TO PARTICIPATE

- 7.1 A student shall be eligible to participate in the Season only if they hold a valid and continuing registration under clause 6 and have submitted their vetted CV within the deadline notified by the Cell. Failure to submit within the deadline shall render the student **ineligible to participate** in the Season.

Eligibility for select recruiters may be linked to participation in, and satisfactory completion of, the programme.

- 7.4 A student currently **under investigation** for the use of unfair means shall not be allowed to participate in the Season until such time as the University of Delhi clears their case and finds them absolved of the charge. All **confirmed cases shall be debarred** from participating in the Season.

THE PLACEMENT CELL, SVC

- 7.5 Eligibility under this Policy is in addition to, and does not override, any eligibility criteria set by a company** for a particular opportunity, including but not limited to requirements as to CGPA or percentage, academic backlogs, attendance, or specialisation. A student not meeting a company's own eligibility criteria shall not be entitled to apply to that company, regardless of their eligibility under this Policy.

- 8.4 CTC ranges.** If the CTC range of a company falls in two tiers, the **average of the range** shall be considered as the deciding factor for the tier.
- 8.5 Variable and performance-linked pay.** For opportunities offering performance-based pay or incentives, the **minimum guaranteed CTC** shall be considered for classification. Where a recruiter does not provide a minimum guaranteed figure, the variable component shall be disregarded for classification.
- 8.6** Where a company provides more than one distinct role, **each role shall be classified individually** and is treated as a separate opportunity for all purposes of this Policy.
- 8.7 Fellowships and Pre-Placement Offers are counted as an offer** for all purposes of this Policy.
- 8.8** The Cell reserves the right to **re-align the classification** in the best interest of the company(ies) and the students of the College. Such re-alignment shall be done in consultation with the Convener, taking into account qualitative factors including, but not limited to, existing company relations, job profile and job location, and shall be final and binding.

- 14.3** As soon as a vacancy is created in such a company, the candidate whose name appears **first on the waitlist shall get clearance first**, unless otherwise stated. This shall have the following effects:
